Hey Bob it's good to know that you're still out there. Listen I'm sorry you're a zombie but I'm still a human. And even though you want to eat my brains I just can't let you do that Bob. If you eat my brains I'll die and I really don't want that to happen.

First of all, you do know eating brains isn't very nice, right? I know you want to eat as many brains as you can but if you and your friends could refrain, that would be great! You thought that Tom's plan to stay in the mall would be okay for now but one day he would run out of food and guns. I think that we could most likely escape you and your door eating friends because to be completely honest you are zombies and you aren't very fast.
